**ORDER GRANTING APPROVAL OF THE PETITION OF  
PNG TELECOMMUNICATIONS, INC. TO AMEND ITS CORPORATE NAME**

---

This matter came before Chairman Ron Jones, Director Pat Miller and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this Docket, at a regularly scheduled Authority Conference held on July 11, 2005 upon the petition of PNG Telecommunications, Inc ("PNG" or the "Company") to amend its certificate of authority to add a new d/b/a in order to provide services as PNG Telecommunications, Inc. d/b/a CrossConnect.

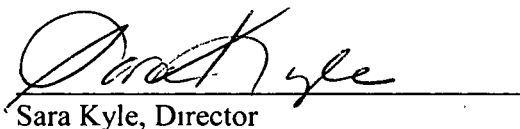

PNG was granted authorization to provide services as a reseller of interexchange long distance service in Tennessee by order issued in Docket No 03-00545 on December 16, 2003. PNG currently provides services as PNG Telecommunications, Inc. d/b/a PowerNet Global Communications

Based upon careful consideration of the record of this matter and upon a finding that the Company has met all the requirements for amending its corporate name, including registering the name change with the Tennessee Secretary of State and submitting a surety rider reflecting its new name, the panel, pursuant to Tenn Code Ann. § 65-4-104 (2004), voted unanimously to approve the name change.
